WHY JOIN A CHILDREN'S CHOIR?

Today, like never before, we came to realise how TOGETHERNESS became so important to our existence. A choir is the place where children come together for a purpose - regardless the differences or abilities. A choir is where children meet, make friends but above all, the place where they work together for a common goal - that of creating beauty through singing.

WHY SCJ CHILDREN'S CHOIR?

SCJ has always been at the forefront in providing a thorough choral education while providing to each chorister excellent performing opportunities both locally and abroad. The choirs at SCJ are led by our fantastic choral conductor Marouska Attard who specialises in choral education. She is a strong believer that every child can sing and should be given a good quality choral education to develop and nurture what one naturally already possesses.
